COLLAPSE

Oh, honey. Platypus, have I taught you nothing? I've seen laundry hung out to dry that didn't look that empty.

It's a pair of pale tan pants with nobody inside 'em!

 [trollcatz](#)

[March 27 2009, 16:41:51 UTC](#) [COLLAPSE](#)

Srsly. There's a butt in there somewhere, I'm pretty sure. Because there must be something to hang the legs from. Which must be in there, because otherwise, where are the feet attached?

 [ace_cub_reportr](#)

[March 27 2009, 17:17:49 UTC](#) [COLLAPSE](#)

Are you sure those are feet and not just empty shoes?

I mean, I can report with confidence that there are forearms, hands, and a neck...

 [trollcatz](#)

[March 27 2009, 18:07:32 UTC](#) [COLLAPSE](#)

When I look at it that way, it really does look like a photo of clothes tacked to the wall. With an inexplicable head and a pair of arms.

Really, it's...disturbing.

...

...

Are you guys done discussing shallow physical characteristics? Isn't anybody going to point out that I have awesomely topped out and am hanging mightily like a mighty thing?

 [trollcatz](#)

[March 27 2009, 18:11:28 UTC](#) [COLLAPSE](#)

I thought that went without saying. Also, that was like a v-six-million. Notice how it's marked with hazard tape!

That last bit is so full of Hail Mary I was beginning to think I'd have to get baptized.

 [trollcatz](#)

[March 27 2009, 18:40:57 UTC](#) [COLLAPSE](#)

It went fine once you turned on levitation. That shot doesn't show the overhang, really. I think because Tasha was about standing *under* you.

I saved you a doughnut. You need it more than I do.

 [standuponit](#)

[March 27 2009, 18:26:11 UTC](#) [COLLAPSE](#)

...A pity doughnut.

Hey, still a doughnut!

Men are such pigs.

 [ace_cub_reportr](#)

[March 27 2009, 18:24:12 UTC](#) [COLLAPSE](#)

Technically, what we're discussing is the *lack* of shallow physical characteristics.

(Heeeeeheehheehheee!)

Those of us who like arms are pretty happy right now.

...did I type that out loud?

Yes, you did. *grin*

Spider-Chaz, Spider-Chaz
Does whatever a spider has?

 [inaurolillium](#)

[March 28 2009, 00:55:39 UTC](#) [COLLAPSE](#)

...that sounds pretty disturbing, actually.

 [renshai](#)

[March 28 2009, 03:47:59 UTC](#) [COLLAPSE](#)

Yeah, it occurred to me later that "Can do whatever a spider has" is slightly less likely to be misinterpreted.

But only slightly. Maybe he's just our friendly neighbourhood Spider-Chaz.

Spider-Chaz, Spider-Chaz,
Climbs wherever a spider has.
Sends the walls without fail,
Climber-grrls on his trail.
Hey there! There goes the Spider-Chaz!

Look at you two, all climby and oh so physically fit. So jealous.

Wow, <lj-user="standupnit">, I never realized you were that powerful of a clothes hanger.

And so our ancestors left the trees to ...climb God's Own Pegboard.
Yep. That's circular evolution alright.

 [ace_cub_reportr](#)

[March 27 2009, 21:14:33 UTC](#) [COLLAPSE](#)

You can take the hominids out of the trees, but apparently...

 [trollcatz](#)

[March 27 2009, 21:15:41 UTC](#) [COLLAPSE](#)

You're just jealous.

You coming out for bheer after work?

 [ace_cub_reportr](#)

I guess I did!

 [hawkwing_lb](#)

[March 27 2009, 21:39:15 UTC](#) [COLLAPSE](#)

Ooo.

Big wall. So jealous.

 [trollcatz](#)

[March 28 2009, 03:00:48 UTC](#) [COLLAPSE](#)

That's the biggest wall we have. Very tiring. You wish you'd brought water, but then you remember how much water weighs.

 [hawkwing_lb](#)

[March 28 2009, 06:51:17 UTC](#) [COLLAPSE](#)

I can imagine. Pretty cool, though.

I still say you have Awesome Butt in that harness.
Possibly a stupid question, but why isn't Chaz wearing a harness?

 [trollcatz](#)

[March 28 2009, 02:59:52 UTC](#) [COLLAPSE](#)

Maybe I got the Platypus's butt, too.

He's bouldering.

Have you guys ever considered taking up [Extreme Ironing?](#)

[trollcatz](#)

[March 28 2009, 12:29:10 UTC](#) [COLLAPSE](#)

First, I'd have to take up ironing.

[calanthe_b](#)

[March 28 2009, 02:15:23 UTC](#) [COLLAPSE](#)

~applauds you both~ It's so cool that you can do that...

applause for the gentleman who has reached the top

"That looks awful high," says the gal who is afraid of falling and breaking her leg again.

...

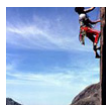

Those toe rests you are going up on don't look very substantial. What do you have in your left hand, if you don't mind my asking? Are you holding on to the ribbons on that thing that has ribbons and is attached to the wall?

Forgive me, please, for not knowing what its proper name is.
